Master of Educational Studies

The Master of Educational Studies at UOWD will provide you with the specialised knowledge in education practice and leadership to take on a strategic role in the advancement of the UAE schooling system. The program will build on your commitment to improving schools, instruction and student outcomes through professional development that focusses on enhancing your understanding of educational policy and practice. If you have completed the Graduate Diploma and want to progress your studies to Masters level, or if you already have experience in teaching and want to move ahead in your career, this is the ideal program for you.

Graduate Diploma in Educational Studies

The Graduate Diploma in Educational Studies will strengthen your professional portfolio and will help you to develop specialised knowledge of the schooling system, instruction models and student outcomes to take the first step in your educational career. You also have the option to progress to the Masters level qualification, which will help you to develop the strategic competencies required to take on leadership roles in the sector.
